

## Topaz™ Series Teacher Desks & Accessory Table

The Topaz Series combines sleek design with innovative versatility to support modern learning environments. Blending beauty and functionality, the Topaz Series Teachers' Desk was designed with teachers in mind. Single or double-pedestal models feature generous storage, while integrated wire management conveniently keeps wires out of the way for a clutter-free workspace. Casters allow for smooth classroom reconfigurations and securely lock to keep the desk in place when needed.

A multi-functional smart drawer offers lockable storage, built-in power and USB ports for worry-free charging of digital devices. The unique tip-out drawer allows teachers to easily access mobile phones – all while being able to keep devices plugged in. Spacious lower drawers are perfect for personal belongings such as water bottles, purses and briefcases. Pedestals feature one box drawer with adjustable drawer-dividers, and one hanging-file drawer for letter and legal folders.
